

"GIG CONNECTION" FORM

SSC receives numerous calls throughout the year requesting names of faculty members available and willing to perform at various events. To respond to these requests, we refer them to our online "Gig Connection" page: http://www.sscmusic.org/gig_connection.html. People are able to look at each musician's specialty, decide what they need, and contact the musician directly. We'd like to provide all our faculty members with the same opportunity to accept gigs. If you'd like to be a part of the Gig Connection, please supply the information below:

Please send the completed form to Director of Performance Beth MacLeod Largent at b.macleodlargent@sscmusic.org.
