MESSAGE FROM THE CHAIRMAN

This year’s annual meeting allowed us, once again, to reflect on South Shore Conservatory and the impact that SSC has on the many thousands of people we touch. There are hundreds of students who study at our Hingham and Duxbury campuses. All the young students who benefit from our arts based pre-school and kindergarten programs. Older residents of the South Shore whose lives are enriched through SSC’s music therapy brought to their residences on a weekly basis. Concertgoers who are captivated by performances that deliver a breadth and depth of content that is unrivalled on the South Shore, whether it be the Duxbury Music Festival, Evenings Under the Stars, our new Jazz, Rock, Pop Festival, the Conservatory Concert Series and so much more. Our ImagineARTS programs continue to grow, serving children in Brockton and in Hull and producing extraordinary results, as do our creative arts therapy programs that reach people young, old and in between, enhancing lives and bringing joy to so many.

Being part of SSC as a trustee and board member is a profound privilege. SSC trustees and overseers work with the Conservatory’s talented and dedicated management, faculty, administrators and staff toward a shared mission of creating community through the arts.

This year the board of trustees and SSC staff combined to develop Vision 2020, a five year strategic plan designed to assure the substantive and financial success of SSC for years to come. We made a series of governance and committee enhancements targeted on improving an already strong organizational structure. From an operational standpoint, we had a strong yearly financially, though our modest capital base continues to constrain just how much we can do for a growing population who yearns for the arts and the liberating effect that they have on peoples’ lives.

Strengthening SSC’s financial base, so that providing “access to the arts for all” will be a consistent reality and not a mere aspiration, remains an imperative.

As I complete my term as board chair and look to the future, I do so with complete confidence in the leadership of the school and the board.

Michael J. Puzo
Chairman, Board of Trustees

MESSAGE FROM THE PRESIDENT

This has been a stellar year for SSC, one that has extended our reach through ImagineARTS and creative arts therapies while we continued to expand our lessons and class offerings at our two beautiful campuses. We have many accomplishments to celebrate from 2014 as we look forward to what lies ahead.

Trustees and staff, with input from members of the Conservatory community, completed a new strategic plan that lays out an exciting vision for the next five years and identifies the elements and initiatives necessary to sustain SSC into the future. Our three strategic priorities are Access, Visibility and Sustainability. We have also identified the challenges that we need to address and solve to ensure success. These center around capacity, sustainable growth, heightened visibility, the retention of our excellent faculty and staff and the means to make it all happen!

At the heart of this strategic plan is expanding “access.” Participation in arts learning should not be limited by geography, a family’s financial means, or an individual’s learning capabilities. We recognize that SSC’s growth cannot just happen within our existing campuses, not only because of capacity limitations, but also because they are not easily accessible to much of the South Shore community. Over the five years of the plan, SSC’s expanding strategic partnerships and programs for underserved populations will extend our presence into more communities, serve more diverse groups, and reduce barriers to participation. SSC will ensure consistent delivery of exceptional arts education, through its greatest strength: its extraordinarily talented, committed and inspirational faculty.

Our plan is to have SSC become widely known and trusted as the preeminent arts organization on the South Shore – not only by its peers and core constituents, but also by the general public. We have opportunities this year for raising our profile with exciting events like Duxbury Music Festival’s 10th anniversary and our Jazz, Rock and Pop Festival that will be back by popular demand.

Finally, SSC must have the financial and organizational capacity needed to realize this vision. Currently SSC has a very small endowment and lacks sufficient capacity to invest in growth of its faculty or new and innovative programming. Expanded community outreach will require an increased level of support from current friends as well as new funding sources. The next five years will see concentrated efforts to build these reserves and solidify our financial future.

I am proud of what we have accomplished this year and excited by the opportunities ahead in 2015.

FISCAL YEAR 2014

South Shore Conservatory is a non-profit organization that depends on charitable contributions for a significant portion of its income. We are grateful to the many people and organizations who contributed so generously to our school’s programs, scholarships and events during Fiscal Year 2014 (September 1, 2013-August 31, 2014). Donors are recognized for cumulative giving across all categories of donations.

In addition to the donors listed on the following pages, the Conservatory recognizes with great appreciation the hundreds of volunteers who have contributed their time, energy and expertise to make our events and programs successful and memorable. Finally, we thank our students, parents and audiences for their participation, attendance, encouragement and support of South Shore Conservatory.
