MESSAGE FROM THE PRESIDENT

What a year 2016 has been! Thousands of community members participated in the many lessons, classes and concerts that SSC offered this year at our two campuses, through our Creative Arts Therapies programs and Community Partnerships.

Ensuring that music and arts opportunities are available to everyone on the South Shore continues to be at the forefront of our vision. In working to realize this vision we have seen the demand for tuition assistance continue to grow. This year we increased the amount of scholarship dollars awarded by 25% - providing more than 400 individual awards that allowed deserving students to fulfill their dream of taking music lessons.

We were able to add several ImagineARTS Kindergarten classrooms to our arts-based, reading readiness residency program in Brockton. We now serve 600 children in 28 classrooms, but we are still only half way there. Principals and teachers are clamoring for this program in their schools and the only limitation is money. It is our goal to bring this exceptional program to EVERY Kindergartner in Brockton – a goal we are closer to reaching with an exciting new challenge grant from the Salah Foundation in support of this critical work.

We all know the difference financial generosity can make. SSC Community Voices, our wonderful chorus for singers with developmental delays, has traditionally hovered in the 25-30 singer range. For many families and for many of the adult singers, paying for chorus is a real financial barrier. With the generosity of the Cordelia Family Foundation, we were able to remove the barrier for these singers. Community Voices now has more than 60 singers and we had to move performances from SSC to a larger space to accommodate all their fans!

Each of you has your own unique journey that brought you to SSC. As our strongest group of ambassadors and advocates, please spread the word and share why you love SSC with others.

The arts are critical to our wellbeing and have the ability to remind us of the ways in which we are the same rather than the ways in which we are different. As we look to a new year, SSC will continue to fulfill its mission and work toward changing lives, touching hearts and connecting people through the power of music and the arts.

Kathy Czerny
President, South Shore Conservatory

MESSAGE FROM THE CHAIRMAN

FY 2016 was a strong year financially. SSC’s revenue increased, and the operating budget is closing in on $5 million. Our balance sheet is strong, with total assets increasing by 9%, and our capital reserves now exceed $1 million. This trajectory puts SSC in position to one day be in the top 10 nationally for community schools for the arts. We remain #1 in New England!

As many are aware, SSC is in the quiet phase of our Vision 2020 Capital Campaign, and as we go to press with this annual report we are nearly half-way toward the ambitious goal of $16 million. The success of the campaign so far speaks volumes to what SSC is doing for all of the communities it serves, from students taking lessons, to the thriving ImagineARTS program in Brockton Public Schools, to the life-transforming work of our Creative Arts Therapies programs.

Raising capital demands compelling programs to drive support. As SSC is the cultural leader of the South Shore, I have no doubt that if we continue to work hard to spread the powerful SSC message, FY 2017 will be another banner year.
